

ROLL-ON EPIL BEAUTY – depilation sugar paste in a roll-on bottle
How to use ROLL-ON EPIL BEAUTY

1. Heat the water
2. Put the roll-on in a container
3. Pour water into the container
4. Close with a lid and leave for 15-20 minutes
5. Remove roll-on from water and wipe dry the bottle, paste has to be liquid
6. Open the cap
7. Turn the bottle upside down and try it on depilation paper
8. Apply a thin layer on the desired area against direction of hair growth
9. Press down depilation paper to the area and tear off abruptly in the direction of hair growth
10. Repeat this process if necessary
11. Rinse with water without soap
12. After depilation we recommend to apply soothing solution on the depilated area
